INVITATION TO PARTICIPATE IN THE SCIENTIFIC CONFERENCE

Dear,

The Bijeljina Faculty of Education of the University of East Sarajevo invites you to the XIII scientific conference with international participation on the topic

”Science and teaching today”

which will be held at the Faculty of Education in Bijeljina, **September 21-23, 2023**. The goal of the Scientific Conference is to improve teaching in the spirit of scientific achievements, and the interaction of science and teaching practice.

Exchanged ideas, opinions and research results, through the mutual dialogue of the participants, takes place within the following topics:

- o **Science and classroom teaching today**
- o **Science and preschool education today**
- o **Science and teaching of Technical education and informatics today**
- o **Free topics**

Participation in the Scientific Conference is registered on a separate form (attached). Submit a topic and send an abstract of the paper with key words to e-mail: **registration@conference.pfb.ues.rs.ba** (with an indication for the Scientific Conference). The abstract, up to 250 words (with blank spaces), should contain theoretical starting points, research objective, methodology description, basic results and conclusions, and up to 5 keywords. For those who send an abstract in Serbian, a translation into English or Russian is mandatory. The application deadline is **September 11, 2023**.

The registration fee for participants oral or poster presenting at the Scientific Conference is **100 KM (50 €)**. For partners of the scientific conference, the registration fee is **50 KM (25 €)**. Authors who are unable to attend can present their papers online. The registration fee for online participation for all authors is **30 KM (15 €)**. The indicated amount of the registration fee must be paid by **September 20, 2023**, to the account of the University of East Sarajevo, Faculty of Education, Bijeljina, bank account number 555-090-00055459-48 Nova banka AD Banja Luka, with a call to the number 0000000609 and the indication Registration fee for the scientific conference or in person on the day of the scientific meeting together in the premises of the faculty.

The final program of the Scientific Conference will be published by September 20, 2023.

Final papers in Serbian, English or Russian, which in terms of scope and structure should comply with the APA standard, should be sent by **December, 1, 2023**. After this deadline, works will not be accepted. All papers that have passed a double independent international review will be published in the Proceedings of the Faculty of Education.

Authors will be notified of the results of the review process no later than **December 30, 2023**.
